

Hello,

The Stowe Weekend of Hope is an annual event with the purpose of celebrating and encouraging cancer patients, survivors, their families and caregivers. The event, held May 3 – May 5, 2019, is an educational and inspirational retreat weekend that offers an array of workshops and sessions relevant to supporting cancer survivors and their families. The Stowe Weekend of Hope would not be possible without the help of local, state, and national businesses stepping up to support this important event! **Will you help us provide HOPE to over 1000 survivors and their families through a conference sponsorship?**

*“There was so much hope, positive energy, laughter, tears, and moving stories at the Hope Conferences. It was a safe and supportive environment for trying new activities, meeting new people and learning new information. Thank you sponsors and volunteers for putting so much effort, time, and money into making this happen!” -- Jennifer M., 2016 attendee and cancer survivor*

The goal of the Stowe Weekend of Hope is to provide a low- or no-cost opportunity for cancer survivors, their caregivers and family members, with access to educational sessions and emotional support throughout a weekend-long retreat in Stowe, Vermont. Many of our participants come from low to moderate income means and our intention is to provide this enriching experience without the financial burden. Funding from a variety of sources is necessary in order to keep this event free for survivors to attend.

Your support as a sponsor or donor will help make this event possible! The Stowe Weekend of Hope is a 501 c-3 not for profit organization, and your gift is tax deductible. Your contribution will have a large impact on this unique and innovative event and I hope you will consider our request.

Best Regards,  
*Karen Forbes*
