

Dear Friend,

I cordially invite you to be a part of our **20th Annual Stowe Weekend of Hope Health & Information Fair** on **Saturday, May 2, 2020**. **The Health Fair will take place from 9:00 a.m. to 4:30 p.m. at The Stoweflake Mountain Resort in Stowe, Vermont.** We're looking forward to creating a special 20th annual event and hope you will be part of the celebration!

The Stowe Weekend of Hope, through a partnership of Vermont's medical community and Stowe's hospitality businesses, offers a conference for cancer survivors, and their caregivers and families. *The event is an annual forum for education, enlightenment, and recreation. The focus is to educate, inspire, and celebrate the lives of people living with cancer.* There is a broad menu of diverse events that participants can choose from to help them find the information and inspiration they need to cope with their cancer challenge at any stage in their disease. The Health & Information Fair is an integral part of the weekend and we hope you will be able to join us!

EDUCATION: presentations on the most current medical research on cancer prevention and treatment from highly respected physicians and practitioners from around New England and local area hospitals including the University of Vermont Cancer Center, The University of Vermont Health Network, Central Vermont Medical Center, Copley Hospital, Dartmouth Hitchcock Medical Center and the Rutland Regional Medical Center
